

Magazine Solutions

Full-Service Creative and Production for Magazines

KnowledgeWorks Global Ltd. (KGL) helps magazine publishers navigate the rapidly-changing media landscape and deliver timely content to their readers. Part of the CJK Group of printing and technology companies, we have been providing creative, layout, workflow, and conversion services for print and digital publications for decades.

KGL offers a range of solutions for both print and digital products and works with media organizations to manage brand consistency. Let us handle the design, production, and publication of your magazine in whatever format your readers demand. **Contact us to learn more.**
