JOURNAL OF ZOO AND WILDLIFE MEDICINE

The *Journal of Zoo and Wildlife Medicine* is an official publication of the American Association of Zoo Veterinarians, an organization dedicated to advancing programs in the field of captive and free-range wild animal medicine. The journal publishes peer reviewed papers on original research findings and clinical observations, as well as case reports in the field of veterinary medicine dealing with captive and free-range wild animals. It also publishes editorials, review articles, special reports, as well as abstracts and book reviews relevant to this field.
