

Meeting Management

Expert Meeting Management Services for Scholarly Societies and Associations

Partner with KGL

The KGL Association Management team offers full-service and a la carte meeting management services for regional, state, and national scholarly societies and professional associations.

Our team is ready to partner with you to understand your goals and bring your vision to life. With years of meeting management experience, we are here to serve as an extension of your team. From planning your entire meeting to helping with specific tasks our services are customized to your needs.

With our Association Management software, attendees will have an online platform where they can connect and network before, during and after the event. Push notifications keep attendees informed of important information and changes in real-time.

Let's have a conversation today about your upcoming:
